This license is signed between Rafael Pereira del Estal user/user group and SINGULAR PEOPLE S.L. (Madrid), acting on behalf of the organizing committee of the TASS workshop for sentiment analysis and online reputation analysis focused on Spanish, which also includes SINAI group at University of Jaén (Spain) and GSI group at Technical University of Madrid (Spain).

1. Description of Data

The TASS Corpus is a corpus of tweets in Spanish tagged for Sentiment Analysis. It is divided into several subsets created for the various tasks proposed in the different editions through the years. All the information on this Corpus can be found at: <http://www.sepln.org/workshops/tass/2016>.

The Corpus is disclosed on a voluntary basis by the concerned persons. The Corpus contains the actual data as well as any derivative work, products or services based on all or part of the data. All data contained within the Corpus have been collected and processed in accordance with the laws applicable in Spain.

2. Copyright

The Corpus is the sole property of the Licensor and is protected by copyright. The Licensor reserves all rights to use in any way and distribute the Corpus. The Corpus shall remain the exclusive property of the Licensor. The End User acquires no ownership, rights or title of any kind with regard to the Corpus.

3. License

Subject to prior identification of the End User and signature of this License, the Corpus is freely available to the benefit of the End User. The Licensor grants to the End User the right to use the Corpus, for its own internal and non-commercial use and for the purpose of scientific research only.

The End User shall respond for any infringement of the present License by one of their subsidiaries and/or student's. The End User may only disclose, give access, and/or transfer the rights related to the Corpus to subsidiaries and/or students, under the following conditions:

- a) a copy of the present License has already been transferred to them;
- b) the subsidiaries/students have fully read and understood all terms and the present License;
- c) the access to the Corpus is granted under the close supervision of the End User;
- d) the access to the Corpus is granted under the sole responsibility of the End User.

The Licensor grants to the End User the right to reproduce temporarily, to adapt, arrange and modify by any means the Corpus. The Licensor grants to the End User the right to rework and build upon the Corpus, or any component thereof, as necessary or desirable for research or technology development activity and create derivative products or services for the End User's own internal research and development. The End User is permitted to make a copy of the Corpus for archiving only. This License gives no right of any kind to the End User over the Corpus. The License is deemed non-exclusive and non-transferable to third parties.

4. Access and Distribution

The End User may only use the Corpus after this License has been signed and returned to the Licensor.

The End User must return the signed and dated License by email, in PDF format to the Licensor at the following address: tass@sngularmeaning.team or camara@ukp.informatik.tu-darmstadt.de or magc@ujaen.es. The Corpus is accessible online from the TASS website.

The End User shall not, without prior authorization of Licensor, transfer in any way, permanently or temporarily, distribute or broadcast all or part of the Corpus to third parties.

5. Research

Research includes all type of scientific research, irrespective of the object under scrutiny, aimed at achieving a progress in science. The corpus can be used in any kind of research.
